

# Alpha Omega Theta Sorority Inc.

Founded 2017

Alpha Omega Theta Sorority Inc. was founded as a non-collegiate social sorority by Grand Founder Soror Sherika Mitchell Stroud. Our Grand Founder had a vision to bring a massive network of women from all over the world together in sisterhood and service to the community in which they reside.

Our Most Honorable Grand Founder Soror Sherika aimed to include women in business and those who aspired to become business owners.

We live on three basic principles which we call the Three Pearls of Theta: Sisterhood, Service and Networking.

Sisterhood: we strive to be sisters that build together, share our wisdom and most of all protect each other to the best of our ability.

Service: we strive to serve our community by volunteering and caring for mankind.

Networking: we strive to network stronger than ever before, using the resources afforded by this sisterhood.

To be a Theta Woman means to be a woman of class, values, respect, loyalty, friendship, compassion and most of all strength.

We look forward to having you as a future soror!
