

Who we are:

Alpha Omega Theta Sorority Inc was founded in 2017 by our National President Grand Founder Soror Sherika Stroud as a social sorority for women in business. We started with Chapters in all 50 states and set out to serve mankind in a better way. We are a Noncollegiate social organization, we believe that a woman can be an amazing asset to our organization, with or without a degree. We have members who have earned Ph.D.'s and Sorors who have HS Diplomas, and no one is treated any differently. We offer mentoring programs, scholarships, business grants and loans to our Sorors as well as a strong network of sisterhood and friendship. Fall rush is now going on. To start the process please complete the online application at www.thetawomenunite.org. The application fee is \$45.00. The application does ask for two letters of recommendation, which can be emailed later (application will submit without recommendation letters)

Once your application is submitted you will receive an email to schedule your intake interview. Once that takes place if you are accepted you will receive an email with the next steps to pay your first payment for National Dues, which are \$750.00 which includes your National & Regional, dues for 2020 and a welcome package (given out after you successfully pass line and complete your National Dues). Dues are only collected once you've been tentatively accepted, meaning accepted to be online.
